Homeschooling in America and in Europe Write These Laws on Your Children The School Choice Roadmap Homeschooling High School The Handbook of Alternative Education Books in Print Publishers' International ISBN Directory Homeschooling the High School You're Going to Do What?! *John Warwick Montgomery Robert Kunzman Andrew Campanella Jeanne Gowen Dennis Jerry Mintz Candice Childs Laurajean Downs*

the right of parents to choose the kind of education their children receive is guaranteed by a number of international human rights conventions however the scope of these rights is disputed one of the most controversial areas is that of homeschooling the right of the parent to carry out a child's education under his or her own supervision this right exists in france the united kingdom every american jurisdiction and most english speaking countries but is not recognized except under very limited circumstances in germany and in sweden in this book specialists in american german and european human rights law examine the questions underlying the philosophical and legal justification or non justification of homeschooling in modern society book jacket

homeschooling is a large and growing phenomenon in american society between 1999 and 2003 it grew at ten times the rate of public school enrollments current estimates suggest that about two million kids are homeschooled but information about them is incomplete here educator robert kunzman uses his unprecedented access to six conservative christian homeschooling families to explore this elusive world from the day to day lives of its adherents to its broader aspirations to

transform american culture and politics he shows us what their homeschooling experience looks like firsthand what their political and religious beliefs are and what their kids learn about democratic citizenship and engaging with people with different beliefs woven throughout kunzman s narrative are larger questions about the purpose of public education what makes an educated citizenry and how american political and intellectual life could change as conservative christian homeschooled children reach adulthood from publisher description

winner of the 2020 foreword indies gold award in education winner of the silver ippy award for best educational resources you want your children to benefit from a great education but every student is unique one type of school might be a great fit for your neighbor s child but it might not work for your son or daughter across the country many parents today have more choices for their children s education than ever before if you are starting the process of finding your child s first school or if you want to choose a new learning environment the school choice roadmap is for you this first of its kind book offers a practical jargon free overview of school choice policies from public school open enrollment to private school scholarships and more it breaks down the similarities and differences between traditional public schools public charter schools public magnet schools online public schools private schools and homeschooling most importantly the school choice roadmap offers a seven step process that will help you harness the power of your own intuition and your own expertise about your child s uniqueness to help you find a school that reflects your family s goals values and priorities filled with sage advice from dozens of other parents who have pursued the school search process and interviews with school leaders and teachers the school choice roadmap is an optimistic empowering book that cuts through the confusion in k 12 education so that you can give your children every opportunity to succeed in school and in life
